Advanced Limousines adds 2 vehicles to fleet

Indianapolis, Indiana — Advanced Limousines recently added 2 vehicles to their fleet. The first is a 39 passenger Grech bus. The second vehicle added is a Lincoln MKT Sedan.

"Advanced will continue to be a leader in the ground transportation industry, that's who we are", says Co-Founder and CEO of Advanced Limousines Ken Carter.

With an ever growing and demanding market place Advanced Limousines continues to provide superb service. The dedication to the client's experience has delivered the opportunity to be in a position to add these vehicles to their fleet! This is making the company a 33-car operator with options for any event.

About Advanced Limousines- Advanced Limousines first started in April 2005 with one limousine. In a short amount of time they have grown to be a 33-vehicle operation. The vehicles offered range from sedans, SUV's, limousines and busses. They have the largest Hummer limousine in Indianapolis, seating up to 26 guests. Advanced Limousines is a family owned and operated business. The owners Ken and Kristie are siblings and they are very involved in the day to day business. Amongst them, their spouses, parents and other siblings are also part of their team. Advanced Limousines strives to be sure every customer has a great experience. They also give back to their community through various programs.
