Indianapolis, IN– Local family owned and operated Aadvanced Limousines has just added three new vehicles to their fleet. The first one is a 12 passenger Mercedes Benz Sprinter with limousine style seating. The second one is a 8 passenger Lincoln MKT limousine. This vehicle features a fifth door. The third one is a 14 passenger 2017 Transit van.

About Aadvanced Limousines- Aadvanced Limousines first started in April 2005 with one limousine. In a short amount of time they have grown to be a 33 vehicle operation. The vehicles offered range from sedans, SUV's, limousines and buses. They have the largest Hummer limousine in Indianapolis, seating up to 26 guests. Aadvanced Limousines is a family owned and operated business. The owners Ken and Kristie are siblings and they are very much still involved in the day to day business. Among them, their spouses, parents and other siblings are also part of their team. Aadvanced Limousines strives to be sure every customer has a great experience. They also give back to their community through various programs.
